OUR COMPANY

Madenat Al Nokhba Recycling Services LLC is the leading recycling entity located in the heart of Dubai. Our Company assures safe recycling processes in accordance with UAE guidelines and international standards.

ABOUT US

As a Dubai Municipality-approved company, we guarantee safe disposal of Waste Electrical & Electronic Equipment (WEEE), all kinds of lamps, all mercury-bearing devices and universal waste. We provide our customers with a Destruction/Recycling Certificate.

We are the first and only Dubai Municipality-approved Lithium-ion Battery recycling entity in the region.

We at Madenat aim to support individuals and companies in recovering value of their used resources and increase market visibility through CSR initiatives.
